Remember the Change has been adopted in most of the Mysore

4 It is in this Connection of things that the Chitaldrug Mcl Cl want a reversion to the old order, apparently on some superstitious Considerations as Plague etc, For this reason, & G in pursuance of the general policy, the D C may be asked to advise the Mcl Cl to Continue the present arrangement of Collection by Digital Agency

8k 9/1/42 The proposal of the Chitaldrug Town Mcl bl to change over the system of collection of Tolls in the Municipal "Limits" to the Contract system is not in the financial interests of the Mcty and in view of the short notice, it is not possible to give effect to it – that too – in the middle of the financial year, by observing the prescribed formalities of notifying etc & discarding the temporary establishment sanctioned for one year Moreover no reasons have been assigned by the Mcl bl for the change proposed

SUBJECT —Working out Municipal Toll Gate contract ~~basis~~ basis - Chitaldrug Town Municipality

I have the honour to state that the Municipal Toll in Chitaldrug Town Municipality during the current year 1941-42 is being collected Departmentally (i e on Amani basis) in accordance with your letter No L 9040/L1 94-40-8 dated 26th June 1941

Collection held in abeyance Other Comments available

2 The Municipal President states that a proposition signed by eight Municipal Councillors requesting that the collection of Toll by departmental agency be discontinued and that arrangements be made to collect the same on contract basis with effect from 1st January 1942 be arranged to be given effect to, was received by him

3 At their meeting held on 3rd December 1941, the Municipal Council resolved to the effect that (by a majority of 8 - members as against four) the right to collect toll for 6 months with effect from 1st January 1942 might be disposed of on contract basis by holding a sale (vide resolution copy enclosed for kind

kind reference)

4 The detailed report of the Municipal President received with his letter No H C 72/41-42 dated 16th December 1941, explaining in detail the present working condition of the Municipal Tolls is enclosed herewith for favour of reference

5 No complaints have been received from the public about the system of departmental collection of the toll or as to any harassment or inconvenience to the public by the departmental staff

6 The out-break of plague in Chitaldrug Town for the past five months and the existing adverse seasonal conditions such as failure of rain etc , have had adverse effect on the road traffic resulting in decrease in the collection of toll revenue

7 The best working season commences only from January 1942 and regular traffic in cotton commences from the month of March As such the Municipal Council may realise the anticipated Budget provision of Rs 15,000/- during the second half of the current official year Plague infection has subsided in Chitaldrug Town and in the surrounding villages As recent rainfall has improved the seasonal conditions there is every hope of normal income under toll revenue

8 The Municipal Council have not explained the reasons for changing the existing system of collecting toll 'Amani'

9 In accordance with instructions contained in Government Official Memorandum No L 676-71 Ml 131-39-3 dated 1st February 1940, I have however issued instruc-

instructions to the Municipal President, Chitaldrug to the effect that the existing system should be continued until orders of Government are received The Municipal President has been instructed to arrange to have closer supervision by the collection staff to prevent leakage of toll revenue To change the existing system certain formalities have to be undergone, such as publication of a notification re - change and to give sufficient time for wide publicity and to invite contractors both from within and outside, getting approval to the sale etc , All these will certainly take some time and it is a point for consideration whether the new system can be brought into effect so early as 1st January 1942 It is not desirable to change the system now

In these circumstances, I request that orders of Government may kindly be obtained on this resolution of the Municipal Council, Chitaldrug dated 3-10-1941
